Lottery Community Fund and Sustrans NI. Infrastructure, The Executive Office, The National these include; Belfast City Council, Department for support for the EastSide Greenway concept plan, key stakeholders to ensure their contribution to and Engagement has been undertaken with a number of awarded 'Living Landmark' status, EastSide Greenway, one of only three projects in the UK to be Building on the success of Connswater Community physical, social and economic regeneration of east Belfast. Community Greenway as a catalyst for the ongoing maximise the potential of the Connswater EastSide Greenways, a registered charity, aims to

THE EASTSIDE GREENWAYS CONCEPT PLAN INCLUDES;

- Potential greenway routes in addition to the current Comber and Connswater Community Greenways
- Identification of existing links that could be enhanced
- Identification of potential new linkages that would enhance accessibility across the network
- The proximity of the network to existing community facilities and other leisure and tourist destinations
- The relationship of communities to the network
- The potential for network 'hubs' such as C.S. Lewis Square
- Integration of the network with other transport infrastructure
- Linkages with the city centre and Titanic Quarter and other key destinations
- Integration of the network with wider city and regional cycle and pedestrian networks

EAST SIDE INSPIRING BELFAST

EastSide Greenways was founded by EastSide Partnership as the vehicle for the delivery of the Connswater Community Greenway.

Established as a charity, EastSide Greenways recognises the potential to build on the success of the Connswater Community Greenway.

As a catalyst for ongoing regeneration it will make all of east Belfast a greener, safer and cleaner place to be, while continuing to connect people and places.

EAST SIDE GREENWAYS

"To encourage the use and enjoyment of parks, gardens, rivers and off-road transport routes in east Belfast. To promote the sustainable planning, design, management, maintenance and improvement of green spaces for the benefit of the public".

Mission Statement, EastSide Greenways

EastSide Greenways, a registered charity, aims to maximise the potential of the Connswater Community Greenway as a catalyst for the ongoing physical, social and economic regeneration of east Belfast.

Building on the success of Connswater Community Greenway, one of only three projects in the UK to be awarded 'Living Landmark' status, EastSide Greenways intends to influence and explore the potential for a wider network of Greenways across east Belfast linking people and places to a city wide and regional network.

Engagement has been undertaken with a number of key stakeholders to ensure their contribution to and support for the EastSide Greenway concept plan, these include; Belfast City Council, Department for Infrastructure, The Executive Office, The National Lottery Community Fund and Sustrans NI.
