

Orangefield Park and Marsh-wiggle Way

Greenways are traffic-free routes for use by pedestrians and cyclists and they provide an amenity suitable for people of all abilities due to smooth surfaces and wide paths.

The **Connswater Community Greenway (CCG)** is 16km of continuous cycle and walkway through east Belfast and is a valuable asset for schools in the surrounding areas. The path along the Greenway is accessible due to the smooth surfaces, dropped curbs where road crossing is required, wide paths and clearly labelled signage.

Orangefield Park is the largest area of open parkland along the Connswater Community Greenway and is alive with wildflowers and wildlife.

- Getting there: Orangefield Park can be accessed by foot at the following entrances:
 - a. Via the CCG at Grand Parade (near Dixon Playing Fields)
 - b. The Kingfisher Bridge at Orangefield Lane
 - c. Gate entrance at the end of Orby Parade. There is a play park near the Collier Bridge and close to entrance at Orby Parade
 - d. Along Houston Park

- Parking: there are two car parks located in Orangefield Park, both can be accessed via the entrance at Houston Park. Limited parking available at Houston Drive entrance and Grand Parade entrance.
- Toilet facilities: Accessible public toilets are available on site at the Grand Parade entrance to the park but please note the cost to access toilets is £0.20.
- Playing Fields: Orangefield Football pitches are home to Bloomfield FC but can be booked if available by contacting Belfast City Council following this [link](#)
- Health & safety: There are public access defibrillators for users at Orangefield Park, stationed at the Pavilion
- Facilities: Orangefield Park has a range of outdoor facilities, from tennis courts to a cycling track. Additionally, there is an ecotrail that can be followed around the park.

Marsh-Wiggle Way is a 1km cycle and pedestrian link connecting Orangefield Park and Clarawood to the Branial named after fictional characters from The Chronicles of Narnia: The Silver Chair.

- There is a dipping pond at the bottom of Marsh-wiggle Way with an educational panel describing what can be found in the pond. This has created new habitats for wildlife such as Herons and Egrets to thrive.
- Getting there: accessible via entrances from; Clara Way, Clarawood, Knock Way and mainly from the Knock Dual Carriageway. The entrance at the Knock Dual Carriageway is not accessible by car and is a busy road so we advise pedestrians and cyclists to take care.
